Other fees and charges

- Drop and home installation (first install is free) \$200
- Relocate in-home installation \$150
- Damaged or service relocation at subscriber request \$2.50 per ft. up to \$400

- Service call (during normal business hours) \$85 for 2 hours or less if the issue is no fault of SR Connect’s equipment or service
- Additional charges apply if longer than 2 hours
- After-hours service call \$125
 - Returned check \$35
 - Postage fee for returned equipment \$15 minimum
 - Late payment \$10
 - Paper billing fee \$3/month
 - Tamper \$500/device

Suspension of service for non-payment

Seven days past the due date, SR Connect accounts with a past-due balance will be suspended until payment is made in full. If the account is disconnected, the subscriber will have five days to return equipment without a fee.

Equipment Charges

Basic fiber equipment including a NID (Network Interface Device), ONT (Optimal Network Terminal or modem) and a Gigaspire (router), as well as a mobile application are installed free of charge on the day of fiber installation. Subscribers can elect to receive an extender (mesh unit). If service is disconnected for any reason, the modem, router, and mesh units must be returned to SR Connect in good working order within five days to avoid an equipment charge. The NID is located outside the home and can be left attached as it was installed. Should the installer not find the NID in place five days after disconnection, an equipment charge will be applied.

- ONT (modem) \$70
- Gigaspire (router) \$135
- U6X (router) \$205
- Extender (mesh unit) \$80
- NID (Network Interface Device) \$15
