## Hintonville Substation's Ranch O Andy Feeder **Now Open** for Fiber Sign-ups

# Ranch O Andy Feeder

**CALL NOW  
TO SIGN UP**

**877-272-6611**

Our Ranch O Andy feeder in the Hintonville substation in Perry County is now open!

This includes:

- Hintonville Road East (to just before Roberts Road), Krone Road, McDonald Road, and Nazareth Church Road.
- Hintonville Road West (to just before WT Kittrell Drive) including Wingate Road, Landfill Road, Calvary Church Road, Pat Hinton Road, Ann Hinton Road, and Kittrell Road.

\*This is NOT an all-inclusive list of roads in the fiber phase. Eligible subscribers will receive a postcard and/or email when it is time to sign up. You can also call 877-272-6611 to inquire if you are located inside a current fiber phase in construction. The first steps after the call to sign up include completing the service agreement and making the first payment.

## Ultimate Wi-Fi Experience **Price Drop!**

The free My SR Connect app is the remote control for your Wi-Fi network.

**For only \$5 a month, add ProtectIQ and ExperienceIQ to protect your network and manage screen time and internet content for your family. Price drop from \$7/month!**

These applications give parents better visibility, control, and protection for children and grandchildren online, and they provide monthly reports showing blocked intrusions, web threats, viruses, and malware.

Upgrade to the Ultimate Wi-Fi Experience for only \$5/month.

## October is National **Cybersecurity** Month

October is Cybersecurity Awareness Month, a time to reflect on some of the less pleasant elements of today's cyber-driven world—and how to protect your

devices, network, online accounts, assets, and privacy.

See some of the best cybersecurity measures from experts worldwide to help you stay safer online [here](#).

**ProtectIQ** gives users network-level security that protects all devices that are connected to your Wi-Fi. Protect IQ automatically blocks attempted visits to known harmful websites, monitors incoming traffic to keep hackers out, and sends notifications of blocked security threats.
