## Harleston Substation's Polktown Feeder is **Now Open** for Fiber Sign-ups

# Polktown Road Feeder

**CALL NOW  
TO SIGN UP**

**877-272-6611**

**Our Harleston substation's Polktown Road feeder serving Jackson and George counties is now open!**

The Polktown Road feeder includes Polktown Road, Davis Sawmill Road, Old Americus Road to Cedar Creek Road, Cedar Creek Estates Road, Jim Walton Road, Wade Glass Road, William Ward Road to Guy Johnson Road, and the north portion of Cap Johnson Road.

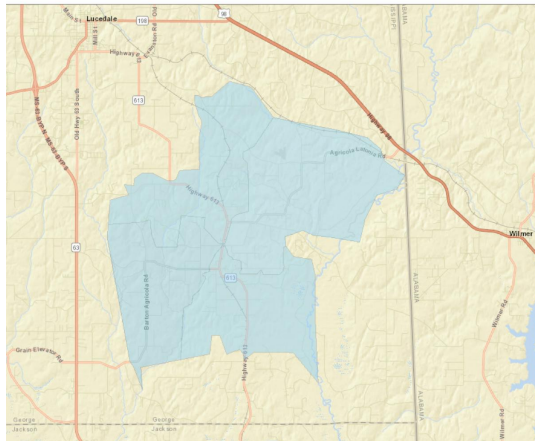

\*This is NOT an all-inclusive list of roads in the fiber phase. Eligible subscribers will receive a postcard and/or email when it is time to sign up. You can also call 877-272-6611 to inquire if you are located inside a current fiber phase in construction. The first steps after the call to sign up include completing the service agreement and making the first payment.

Ultimate Wi-Fi Experience **Price Drop!**

**Call  
TODAY!**

The free My SR Connect app is the remote control for your Wi-Fi network.

**For only \$5 a month**, add **ProtectIQ** and **ExperienceIQ** to protect your network and manage screen time and internet content for your family. **Price drop from \$7/month!**

These applications give parents better visibility, control, and protection for children and grandchildren online, and they provide monthly reports showing blocked intrusions, web threats, viruses, and malware.

**Upgrade to the Ultimate Wi-Fi Experience for only \$5/month.**

## Five Ways to **Prep Your Smart Home** for the Holidays

With the holidays just around the corner, you're getting ready to ring in all the cheer—and preparing for the end-of-the-

year rush!

Of course, the holidays also mean more guests, kids staying home on break from school, and more family time in the house wrapping presents, baking, and decorating. **Here are ways** you can prepare your home for the holidays!

SR Connect subscriber  
**Ronnie Ralston** shared  
this via Facebook:

"SR Connect is awesome.  
I've been on it for almost a  
year without any issues.  
The tv plus 2 phones and 2  
tablets and it never buffers  
or misses a beat."
